

Mr. David L. Combs

Mr. David L. Combs

Extensive experience providing technical support to the Laboratory and its inventors, scientists and researchers with award-winning graphics and art.

Phone: (208) 526-1268

E-mail: dlcl@inel.gov

Education: David Combs received a Bachelor of Architecture in 1982, and a Bachelor of Fine Arts in 1984, both from the University of Idaho in Moscow, Idaho.

Work experience: Mr. Combs worked as staff artist and eventually as art director for Diet Center from 1985 to 1991. He has been at the INL since 1991, where he has excelled in technical illustration and graphic design, and has specialized in corporate identity systems.

Professional endeavors: Mr. Combs is currently involved in rebranding the visual products of the institution since it became the Idaho National Laboratory in February of 2005. He designed the lab's new logo, and has been at work designing displays, brochures, web graphics, fact sheet systems, signage systems and other collateral materials.
